Thought for the day

"Silence is the language God speaks and everything else is a bad translation" is variously attributed. Whoever penned it, it strikes a chord on the feast of the Holy and Undivided Trinity. As we stand before the absolute mystery of God, one and three, transcendent and immanent, greater than our hearts and yet closer to us than we are to ourselves, wordless prayer is fitting. And yet...the Mysterious Silence has been broken, if not by "mere" words then certainly by the Word made flesh, whose Spirit has been poured into our hearts.

Prayer

*God, beyond our minds and ideas,
our hearts and our feelings,
we believe absolutely in your love for each and for all.
Let your astonishing love kindle in our inner selves
a response of love and wonder. Amen.*
